THE COMPANY

We were organized in 1984 and elected to be taxed as a real estate investment trust, or REIT, in 1986. We are a fully integrated real estate investment trust that focuses primarily on the ownership and operation of supermarket anchored shopping centers straddling the Washington, D.C. to Boston corridor. At December 31, 2011, the Company's portfolio (excluding properties "held for sale/conveyance") was comprised of 70 properties, with approximately 9.6 million square feet of gross leasable area, or GLA. In addition, the Company has a 20% ownership interest in 22 properties, with approximately 3.7 million square feet of GLA, through its Cedar/RioCan joint venture.

We conduct our business through Cedar Realty Trust Partnership, L.P., or the operating partnership, a Delaware limited partnership. As of December 31, 2011, we owned approximately a 98% interest in the operating partnership.

Our principal executive offices are located at 44 South Bayles Avenue, Port Washington, NY 11050 3765. Our telephone number is (516) 767-6492 and our website address is www.cedarrealtytrust.com.

RISK FACTORS

Investing in our securities involves significant risks. Please see the risk factors under the heading "Risk Factors" in our periodic reports filed with the SEC under the Exchange Act, which are incorporated by reference in this prospectus. Before making an investment decision, you should carefully consider these risks as well as other information we include or incorporate by reference in this prospectus and any prospectus supplement. The risks and uncertainties we have described are not the only ones facing our company. Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also affect our business operations.

FORWARD-LOOKING STATEMENTS

This prospectus contains or incorporates by reference forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Such forward looking statements include, without limitation, statements containing the words "anticipates", "believes", "expects", "intends", "future", and words of similar import which express the Company's beliefs, expectations or intentions regarding future performance or future events or trends. While forward looking statements reflect good faith beliefs, expectations or intentions, they are not guarantees of future performance and involve known and unknown risks, uncertainties and other factors, which may cause actual results, performance or achievements to differ materially from anticipated future results, performance or achievements expressed or implied by such forward looking statements as a result of factors outside of the Company's control. Certain factors that might cause such differences include, but are not limited to, the following: real estate investment considerations, such as the effect of economic and other conditions in general and in the Company's market areas in particular; the financial viability of the Company's tenants (including an inability to pay rent, filing for bankruptcy protection, closing stores and/or vacating the premises); the continuing availability of acquisition, ground up development and redevelopment opportunities, on favorable terms; the availability of equity and debt capital (including the availability of construction financing) in the public and private markets; the availability of suitable joint venture partners and potential purchasers of the Company's properties if offered for sale; the ability of the Company's joint venture partner to fund its share of future property acquisitions; the adequacy of impairment provisions for properties treated as held for sale/conveyance; changes in interest rates; the fact that returns from acquisition, ground up development and redevelopment activities may not be at expected levels or at expected times; risks inherent in ongoing ground up development and redevelopment projects including, but not limited to, cost overruns resulting from weather delays, changes in the nature and scope of ground up development and redevelopment efforts, changes in governmental regulations relating thereto, and market factors involved in the pricing of material and labor; the need to renew leases or relet space upon the expiration or termination of current leases and incur applicable required replacement costs; and the financial flexibility of the Company and its joint venture partners to repay or refinance debt obligations when due and to fund tenant improvements and capital expenditures. For a discussion of these and other factors that could cause actual results to differ from those contemplated in the forward-looking statements in this prospectus and in documents incorporated by reference in this prospectus, see the section entitled "Risk Factors" in this prospectus, in any section entitled "Risk Factors" in supplements to this prospectus, and in the documents incorporated by reference into this prospectus. The Company does not intend, and disclaims any duty or obligation, to update or revise any forward-looking statements set forth in this prospectus to reflect any change in expectations, change in information, new information, future events or other circumstances on which such information may have been based.

USE OF PROCEEDS

The Company will not receive any proceeds from the sale of the common stock offered for sale in this prospectus by the selling stockholders. The selling stockholders will receive all of the net proceeds from these sales.

The selling stockholders will pay any fees and disbursements for their counsel and any underwriting discounts, commissions and reimbursable expenses incurred by the selling stockholders. We will bear all other costs, fees and expenses incurred to effect the registration of the shares covered by this prospectus, including all registration and filing fees, NYSE listing fees and expenses of our counsel and our independent registered public accounting firm.

SELLING STOCKHOLDERS

The table below sets forth information with respect to the selling stockholders and the shares of the Company's common stock beneficially owned by the selling stockholders as of March 1, 2012 that may from time to time be offered or sold pursuant to this prospectus. The percentage of shares owned before the offering is based on the number of shares of our common stock outstanding as of March 1, 2012. The information regarding shares beneficially owned after the offering assumes the sale of all shares offered by the selling stockholders and that the selling stockholders do not acquire any additional shares. Information in the table below with respect to beneficial ownership has been furnished by each of the selling stockholders.

Except as described herein and in the documents incorporated by reference herein, the selling stockholders have not held any position or office, or have otherwise had a material relationship, with us or any of our subsidiaries within the past three years other than as a result of the ownership of our securities.

Information concerning the selling stockholders may change from time to time and any changed information will be set forth in supplements to this prospectus, if and when necessary. The selling stockholders may offer all, some or none of their shares of common stock. We cannot advise you as to whether the selling stockholders will in fact sell any or all of such shares of common stock. In addition, the selling stockholders listed in the table below may have sold, transferred or otherwise disposed of, or may sell, transfer or otherwise dispose of, at any time and from time to time, shares of our common stock in transactions exempt from the registration requirements of the Securities Act after the date on which they provided the information set forth in the table below.

*Less than 1%

- (1) Decisions with respect to the voting and/or disposition of the shares to be offered for resale by Fifth Third Bank may be made by any officer of the level of Vice President or higher, acting in conjunction with any other officer, of Fifth Third Bank. Mr. David Peura and Mr. Timothy Pace each are Vice Presidents of Fifth Third Bank and have been identified as being empowered to exercise such authority jointly. Each of Messrs. Peura and Pace disclaims beneficial ownership of such shares in their individual capacities.
- (2) Consists of shares of common stock owned by Ms. Morse that may be issued upon conversion of limited partnership interests in the operating partnership.

PLAN OF DISTRIBUTION

The shares covered by this prospectus may be offered and sold from time to time by the selling stockholders. The selling stockholders will act independently of us in making decisions with respect to the price, timing, manner and size of each sale. These sales may be made at a fixed price or prices, which may be changed, at prices on the New York Stock Exchange and under terms then prevailing, at prices related to the then current market price or at negotiated prices. The shares of common stock may be sold pursuant to one or more of the following methods:

- on the New York Stock Exchange or any exchange or market on which shares of the Company's common stock are listed or quoted;
- in the over-the-counter market;
- in ordinary brokerage transactions in which the broker selects purchasers;
- in privately negotiated transactions;
- for settlement of short sales, or through long sales, options or hedging transactions involving cross or block trades;
- by pledge to secure debts and other obligations;
- in block transactions (which may involve crosses) in which a broker-dealer may sell all or a portion of the shares as agent but may position and resell all or a portion of the block as a principal to facilitate the transaction;
- in purchases by one or more underwriters on a firm commitment or best efforts basis;
- in purchases by a broker-dealer as principal and resale by the broker-dealer for its own account pursuant to a prospectus supplement;
- sales "at the market" to or through a market maker or enter into an existing trading market, or an exchange or otherwise;
- in a special offering, an exchange distribution or a secondary distribution in accordance with applicable rules of the New York Stock Exchange or of any stock market on which shares of the Company's common stock may be listed;
- through a combination of any of these transactions; or
- in any other method permitted pursuant to applicable law.

In addition, any shares that qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus.

The selling stockholders may use broker-dealers to sell their shares of the Company's common stock. In connection with such sales the broker-dealers may either receive discounts, concessions or commissions from the selling stockholders, or they may receive commissions from purchasers of shares of the Company's common stock for whom they acted as agents. In order to comply with the securities laws of certain states, the selling stockholders may sell their shares of the Company's common stock only through registered or licensed broker-dealers. In addition, in certain states the shares may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available.

The selling stockholders and any agents or broker-dealers that the selling stockholders use to sell their shares of the Company's common stock may be deemed to be "underwriters" within the meaning of Section 2(11) of the Securities Act, and any discount, concession or commission received by them or any profit on the resale of shares as principal may be deemed to be an underwriting discount or commission under the Securities Act. Because the selling stockholders may be deemed to be underwriters, the selling stockholders may be subject to the prospectus delivery requirements of the Securities Act. In addition, the selling stockholders may have liability as underwriters under the Securities Act.

The selling stockholders and any other person participating in the distribution of their shares of the Company's common stock described in this prospectus and/or any applicable prospectus supplement will be subject to applicable provisions of the Exchange Act, and the rules and regulations thereunder, including, without limitation, the anti-manipulation provisions of Regulation M of the Exchange Act, which may limit the timing of purchases and sales of any of such shares by the selling stockholders or any other person. Furthermore, Regulation M may restrict the ability of any person engaged in the distribution of the shares offered by the selling stockholders pursuant to this prospectus and/or any applicable prospectus supplement to engage in market-making activities with respect to the particular shares being distributed. All of the foregoing may affect the marketability of the shares offered by the selling stockholders pursuant to this prospectus and/or any applicable prospectus supplement and the ability of any person or entity to engage in market-making activities with respect to such shares.

The securities offered hereby were originally issued to the selling stockholders pursuant to an exemption from the registration requirements of the Securities Act.

The selling stockholders have advised us that they have not entered into any agreements, understandings or arrangements with any underwriters or broker-dealers regarding the sale of their shares of common stock, nor is there an underwriter or coordinating broker acting in connection with a proposed sale of shares of common stock by any selling stockholder. If required at the time a particular offer of shares is made, a supplement to this prospectus will be distributed that will set forth:

- the number of shares being offered;
- the terms of the offering, including the name of any underwriter, dealer or agent;
- the purchase price paid by any underwriter;
- any discount, commission and other underwriter compensation;
- any discount, commission or concession allowed or reallocated or paid to any dealer;
- the proposed selling price to the public; and
- other facts material to the transaction.

Under the registration rights agreement entered into with each of the selling stockholders, we are required to pay all the fees and expenses incurred by us incident to the registration of the shares, except for fees and disbursements for counsel for any selling stockholder or underwriting discounts, commissions and reimbursable expenses, all of which will be borne by the selling stockholders. We have agreed to indemnify the selling stockholders and their respective underwriters, officers, directors, trustees, employees, agents and controlling person, against specified liabilities, including liabilities under the federal securities laws. The selling stockholders have agreed, severally and not jointly, to indemnify us, our directors, certain officers and controlling persons, against specified liabilities arising from information provided by the selling stockholders for use in this prospectus, including liabilities under the federal securities laws.

Item 17. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to the registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

Provided, however, that subparagraphs (i), (ii) and (iii) above shall not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in the periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement, or is contained in a prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. If a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(d) The undersigned Registrant hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Securities Exchange Act of 1934; and, where interim financial information required to be presented by Article 3 of Regulation S-X are not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.
