Optional Redemption:

The Issuer may not redeem the Series C Preferred Stock prior to August 24, 2022, except as described below under “Special Optional Redemption” and in limited circumstances relating to our continuing qualification as a REIT for federal income tax purposes. See “Description of the Series C Preferred Stock – Restrictions on Ownership and Transfer” in the preliminary prospectus supplement dated August 16, 2017 (the “Preliminary Prospectus Supplement”).

On and after August 24, 2022, the Issuer may, at its option, redeem the Series C Preferred Stock, in whole or from time to time in part, by payment of \$25.00 per share, plus all accrued and unpaid dividends to, but not including, the date of redemption. Any partial redemption of the Series C Preferred Stock will be on a pro rata basis.

Special Optional Redemption:

Upon the occurrence of a Change of Control (as defined in the Preliminary Prospectus Supplement), the Issuer will have the option to redeem the Series C Preferred Stock, in whole or in part, within 120 days after the first date on which such Change of Control occurred, for cash at a redemption price of \$25.00 per share, plus all accrued and unpaid dividends to, but not including, the date of redemption. If the Issuer exercises its redemption rights as described under “Conversion Rights” below, the holders of Series C Preferred Stock will not have the conversion rights described below.

Conversion Rights:

Upon the occurrence of a Change of Control, each holder of Series C Preferred Stock will have the right (unless, prior to the Change of Control Conversion Date (as defined in the Preliminary Prospectus Supplement), the Issuer has provided or provides notice of its election to redeem the Series C Preferred Stock) to convert some or all of the Series C Preferred Stock held by such holder on the Change of Control Conversion Date into a number of shares of the Issuer’s common stock per share of Series C Preferred Stock to be converted equal to the lesser of:

- the quotient obtained by dividing (i) the sum of the \$25.00 liquidation preference per share of Series C Preferred Stock plus the amount of any accrued and unpaid dividends to, but not including, the Change of Control Conversion Date (unless the Change of Control Conversion Date is after a record date for the Series C Preferred Stock dividend payment and prior to the corresponding Series C Preferred Stock dividend payment date, in which case no additional amount for such accrued and unpaid dividends will be included in this sum) by (ii) the Common Stock Price (as defined in the Preliminary Prospectus Supplement); and
- 9.8814 (the “Stock Cap”), subject to certain adjustments,

and subject, in each case, to (i) the provisions for the receipt of Alternative Conversion Consideration (as defined in the Preliminary Prospectus Supplement) under specified circumstances described in the Preliminary Prospectus Supplement and (ii) an aggregate cap on the total number of shares of common stock (or Alternative Conversion Consideration, as applicable) issuable upon exercise of the Change of Control Conversion Right (such cap, subject to adjustment as described in the Preliminary Prospectus Supplement is referred to in the Preliminary Prospectus Supplement as the “Exchange Cap”).

If prior to the Change of Control Conversion Date, the Issuer has provided or provides a redemption notice, whether pursuant to its special optional redemption right in connection with a Change of Control or its optional redemption right, holders of Series C Preferred Stock will not have any right to convert the Series C Preferred Stock in connection with the Change of Control Conversion Right and any shares of Series C Preferred Stock subsequently selected for redemption that have been tendered for conversion will be redeemed on the related date of redemption instead of converted on the Change of Control Conversion Date.
